3. Means by which a third-party payer can verify that billed services were actually provided
4. A tool for routine health care operations including assessing quality and reviewing competency of your staff and/or other health care providers.

I understand that I have the right to restrict how my health information may be used or disclosed to carry out payment, treatment, or health care operations and that the organization is not required to agree to the restrictions requested. I understand that I have the right to revoke this consent in writing, except to the extent that the organization has already taken action on my behalf. Permission is hereby granted to all health care providers involved in my care to administer such examination, treatment, testing, and procedures as are deemed necessary in the course of my care.

### RELEASE OF INFORMATION

The health care provider involved in my care may release information about me necessary to substantiate my insurance claims.

### FINANCIAL RESPONSIBILITY/ASSIGNMENT OF BENEFITS

For those health care providers who accept assignment, I hereby authorize any insurance carrier with whom I have a policy to direct to that provider any benefits of any policies of insurance to those health care providers who have rendered services to me and who accept such assignment. I agree to pay all charges that are not paid in full by assigned insurance. If such amounts due to the health care providers are not paid after reasonable notice, that account shall be deemed delinquent and a service charge shall be added to the amount due. In the event that I default on payment of account, I agree to be responsible for collection fees and interest due on amounts in default, including court costs and reasonable attorney's fees. If the debt is assigned to a third party for collection, I agree to be responsible for collection fees and interest due on amounts in default.

If other health insurance is indicated on Item 9 of the HCFA-1500 claim form or elsewhere on the approved claim form or electronically submitted claim, my signature authorizes release of information to the insurers or agency shown. In Medicare assigned cases, the physician or supplier agrees to accept the charge determination of the Medicare carrier as the full charge and the patient is responsible only for the deductible, co-insurance, and non-covered services. Co-insurance and deductible are based upon the charge determination of the Medicare carrier.
